

**Enhancement on Customer Support System (CSS)
- GPV Report All Generation -**

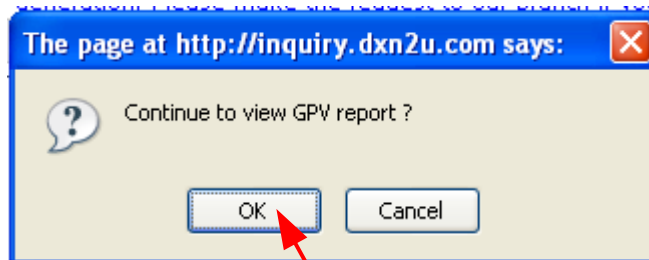

Objective :

- To enable Moderator / member (sponsor) able view all generations of downlines, who has bonus for previous month and PGSV or DGSV is not zero value in the month.
- To filter the report by required generation range.
- To filter the number of records to be displayed in one single page.
- To fasten the report generation and display time.

1. Step to generate the report for Moderator:-

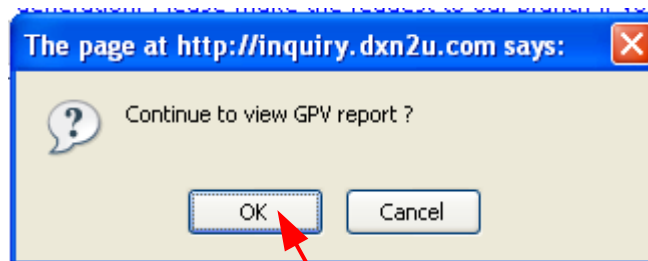

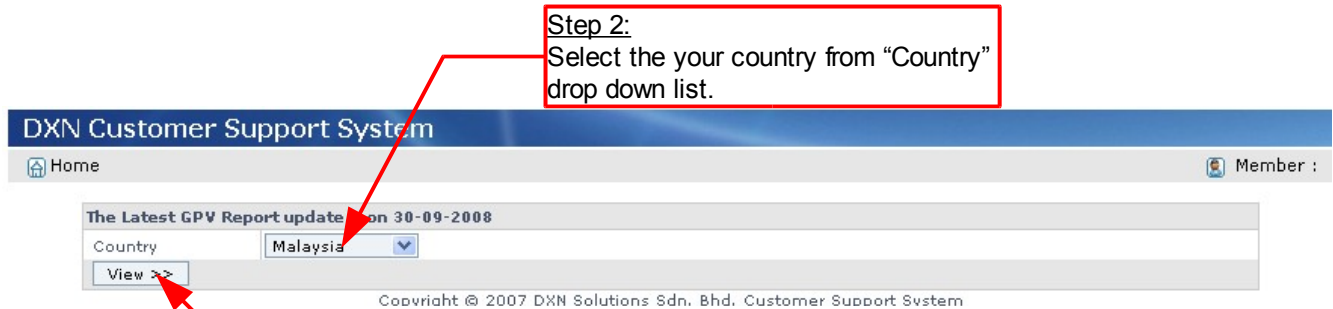

Step 3:
Click on "View" button to view the report.

Step 4:
Click on "OK" button to confirm the report viewing.

2. Step to generate the report for Member:-

The sample GPV Reports contains:-

- Generation and Record Per Page functions to filter the data which end user required.
- Record shown in pages mode based on the number or record per page, which select by end user.

Step 5:
Select the Generation and Record per page from the drop down list.
Click on "View" button to view report.

Step 6:
Click on 'Terms of Services' link to view the Terms of services in details.
