

DXN CORDYPINE SPECIAL

Pineapple enzymes are unique in that they pass through the human gastro-intestinal tract without being damaged by the digestive acids, and are fully potent to assist the function of internal organs and glands. They act synergistically with Cordyceps for the best possible effect. Daily consumption is recommended for internal health. Fortunately, Cordypine is a delicious, refreshing drink which can be enjoyed by every member of the family.

Product best before date says September 2010. However, many members prefer to age the product even further to enhance the production of enzymes for their internal health.

Preparation suggestion: **Mix 1 part (25 ml) Cordypine : 9 parts (225 ml) Water**
