NEW PRODUCT: DXN POTENZHI

DXN Potenzi is a tonic supplement to revive your libido. It is power-packed with the highest quality Eurycoma Longifolia Jack (Tongkat Ali) and Butea Superba extract, both of which are well known to boost physical strength. This formulation is further reinforced with seven precious herb extracts, including Ganoderma, Cordyceps, Black Pepper, Celery, Green Tea, Root of Lalang and Stem of Kayu Secang. These herbs have long been treasured as valuable tonic to invigorate and regain vitality. This unique proprietary blend of 9 pure herb extracts is specially formulated to give maximum benefits to men and women.

Please check DXN website for confirmation of launching date, expected early May.
