South Australia Celebration Lunch 2008:

Adelaide's DXN Celebration Lunch held on 11th October was a huge success, with Members and Guests thoroughly enjoying themselves.

Mr Paul Kern, Naturopath, was invited as Guest Speaker and gave a most valuable talk about Health, and the results of his independent tests on the Aquazeon Energy Water System. We are pleased to report that the system surpassed his expectations, and fully lived up to its claims. It was a very enlightening lecture for all in attendance.

Testimonials were shared about DXN products and impact on individual health, as well as the presentation of awards.

NTSI 2008 (10th-12th October) Adelaide :

A big thumbs up from all the Qualifiers who attended this year's Travel Seminar Incentive in Adelaide. They were made very welcome at South Australia's Celebration Dinner, and were beautifully looked after at 5-Star Stamford Grand Hotel situated at Glenelg Beach. Perfect weather, sumptuous meals, relaxing times spent together, and a memorable trip to the heritage German village of Hahndorf in the Adelaide Hills, not to mention a hearty German lunch complete with music and singing, rounded off a great trip.
