## B). REISHILIUM POWDER

Reishilium powder contains a balanced mixture of Mycelium (GL) and the fruit body of Ganocelium Lucidum (RG), which is the same as a large box of Mycodiet but packaged in a smaller & more affordable size.

It helps to enhance the general wellbeing of our body and is suitable for anyone not wanting to take capsules.

**Ganoderma** contains Polysaccharides: Beta D-Glucan, FA, F1, F1-1a, D-6, A,B, C-2, D, G-A, G-Z.Organic Germanium (6000ppm in GL), Vitamin C and B vitamins plus other Vitamins, Various Minerals : Selenium, Iron, Calcium, Zinc, Magnesium, Copper, Potassium, Various Enzymes and Essential Fatty Acids, Anti-Oxidants (very high – approximately 23.500 iu's), complete Proteins and Glycoproteins, 1100 Amino Acids including All the Essentials, Riboflavin, Fibre, Carbohydrates, Volatile Oil, Adenosine, Mannitol, Lipids, Oleic Acid, Tripeprpenes and Triterpenoids (up to 137 types).

Ganoderma is classed as an ADAPTOGEN; as it helps our body adjust to stress, trauma, fatigue and western medicine for the best possible outcome. An **Adaptogen** is like a key that unlocks toxic cells to allow its nutrition in and to release those toxins. An Adaptogen is non-toxic to the recipient. This is why so many people world wide benefit from consuming DXN's Ganoderma as their daily Food, Tonic or Supplement.

Taken as a drink, Reishilium powder is absorbed faster and more efficiently into the body. It has a strong and bitter after-taste which some people disguise with fruit juice, DXN Coffee or other strong flavoured liquids.

Each pack has three bottles containing 22g of Reishilium Powder per bottle for a convenient weekly supply.

Recommended dosage: 3g - 5g per day.

**PRODUCT CODE: 3007 AU\$74.80 NZ\$89.00 PV/SV:43.00**
